2024 - Present

Bachelor's Degree in Computer Science, Essths

2024

SKILLS

Technical Skills

NextJs, JavaScript, Typescript, SQL, Git, Node.js, ExpressJs, Tailwindcss

Soft Skills

Problem Solving, Collaboration

Digital Skills

Linux, Figma, LaTeX, VSCode

PROJECTS

Frontend Projects Developed several mini frontend projects using ReactJS & NextJs, integrating publicly available APIs to create functional and dynamic applications. Check my portfolio ([here](#))

CLI Projects Currently working on rebuilding complex CLI projects such as an HTTP server, Git, and Shell to better understand their internal workings.

ACTIVITIES

- Solved over 170+ problems on LeetCode. Check my profile ([here](#))
- Exploring new technologies and frameworks, continuously learning to improve my skills.

LANGUAGES

- French: Good
- English: Advanced
- Arabic: Native language
